

# inside

**INTERIOR DESIGN REVIEW**  
IDEA WINNERS EDITION 2025

**M2 Melbourne**  
Giving a data centre the  
human touch.

**The House Detective**  
An architectural sleuth  
in the suburbs.

**Wilya Janta**  
First Nations design that is  
never 'about us without us'.

*Together is Better.*

*We strive to unite global expertise to create enduring spaces,  
using collaboration as a tool to define our process.*

*Each product, brand and material we supply tells a story of this  
collaboration in action, of how worlds within design come together.  
Australian and Chinese sites to align visions using advanced  
manufacturing, scalability, and our dual-footprint to create an  
environment of consistency.*
