The Gulf Armchair
Design by Collectivo

The Gulf Armchair embodies the gentle curves of the bay, with its contours expressing a posture of embracing the sea along the bay, creating a natural and approachable texture.

GULF

GULF ARMCHAIR OVERVIEW

DESIGN INSPIRATION

The Gulf Armchair provides a comfortable seating experience, reminiscent of warm and dense sandy shores: The curve of its armrest is elegant and warm, and the curve from the back to the tail and the back of the foot resembles a bay, all in one go.

Koji

Koji Armchair is inspired by the Christmas gift of cane candy, bringing users holiday like surprises, conveying the warmth and sweetness of candy, and bringing relaxation and joy to busy lives.

KOJI

KOJI ARMCHAIR OVERVIEW

DESIGN INSPIRATION

The designer captured the unique curved shape of Koji Armchair, combined in a stacked form and integrated into the software design of the product, as if carrying a sweet childlike heart, just running out of Santa Claus's candy jar, full of joy and vitality. The proportion and scale changes of the two-layer design of the soft package have been deeply considered, and after multiple sponge ratio adjustments, the human-machine comfort has been greatly improved.

Mushroom

Mushroom

The inspiration for the mushroom armchair comes from the small mushrooms jumping out from the ground. The designer extracted beautiful curves from the appearance of the mushrooms, and the small umbrella spread out on the mushroom head evolved into the backrest and armrest of the chair, providing comfortable support.

MUSHROOM

MUSHROOM ARMCHAIR OVERVIEW

DESIGN INSPIRATION

The mushroom armchair can be processed with double-sided materials, which more simulates the biological properties of mushrooms and enhances the visual impact of the product. The overall shape is like a cute image of a short and fluffy mushroom. We hope that users can experience the vitality of nature and find a moment of peace and relaxation during use.
